www.serramentiCE.it Terms of Service

These Terms of Service govern access to and use of the SerramentiCE website (hereinafter the "Website") developed by FST srl and also its content (all the information, text, graphics or other materials created and/or provided by SerramentiCE and the files) and Services. These Terms of Liability limit SerramentiCE's service and obligations to third parties, granting FST srl the right to modify, suspend or terminate access to and use of the Website, content, files and services.

Access to and use of the Website, content, files and/or services are expressly subject to compliance with the Terms of Service. By accessing or using the Website, content, files and/or services, the User agrees to be bound by the Terms of Service. USE OF THE WEBSITE, content, files and/or services requires ACCEPTANCE OF THESE TERMS OF SERVICE. IF THE USER DOES NOT ACCEPT THESE TERMS OF SERVICE in their entirety, the Website, content, files or SERVICES may NOT be accessed or used. If the User accepts the Terms of Service on behalf of a company, the User declares and certifies that he/she is authorised by the company to accept the Terms of Service and said Terms of Service shall apply.

FST srl offers all customers who have purchased the "CE Label kit" and have an active ProF2 software support contract a FREE account that allows them to store a limited amount of data (1Gb) on the Website. Alternatively, customers can sign up for a Premium paid account, which allows them to store a limited amount of data (5Gb) on the Website. FST srl reserves the right to suspend the service and/or change the storage space available for a free account at any time, with or without notice.

Consent to access the Data published by the User - Using the Website and the services offered by SerramentiCE allows SerramentiCE to access and provide the User with type construction data, CE marking data and type image data.

Limitation on files uploaded by the User - Only files generated using the ProF2 program and published through ProF2 may be uploaded to the Website. It is prohibited to use the service to upload or share files other than those generated through ProF2 or upload files without using ProF2.

Limitation of Liability - FST srl shall make every effort to ensure that the service is always available within the intended Terms of Use. FST srl shall not be held liable for the storage and availability of data, neither for momentary interruptions nor for termination or modification of the service and its Terms. FST srl shall not be held liable for unauthorised access to data or for data not corresponding to specifications in breach of copyright and current regulations.

Obligations of Users - Users undertake to safeguard with due diligence and not to disclose to third parties their login information to the reserved area of the Website.

I declare that I have read and accepted the above Terms and Conditions.
